

NPS Rules and regulations.

- 1. Absolutely no smoking on property during investigations.**
- 2. No drinking/drugs before or during an investigation.**
- 3. No littering or vandalizing property in any way.**
- 4. Have respect for team members, clients, and the dead.**
- 5. No trespassing. Investigating any properties will need proper NPS clearance.**
- 6. Dress appropriately for investigations.**
- 7. Respect other team member's equipment. Do NOT use unless given permission by that member.**
- 8. NEVER take anything from a property that does not belong to you.**
- 9. Always conduct an investigation in groups of at least 2 other team members.**
- 10. You will be held responsible to replace or fix anything that you damage during an investigation.**
- 11. Handle any personal issues with other team members outside of an investigation.**
- 12. For the safety of our investigators and clients, NO WEAPONS will be allowed on-site before, during, or after an investigation.**
